CORPORATE CATERING MENU
SOCIAL BITE prepares delicious HANDMADE FOOD everyday, using FRESH & HEALTHY local produce

OUR MENU is designed by MICHELIN STAR CHEF Mike Matheson, COMPETITIVELY PRICED, offering outstanding value for money.

THE MAIN DIFFERENCE

The main difference between Social Bite and the rest is that we donate 100% (every single penny) of profit towards solving social problems and 25% of our workforce is made up of previously homeless people.

So, when you choose Social Bite, it is not only a great reflection on your business and your Corporate Social Responsibility (CSR) Values, which we are sure your staff and clients will appreciate, but your business will also be directly benefiting people less fortunate than yourself.

A more fulfilling lunch.
