The main
difference?

The main difference between Social Bite and the rest is that we donate 100% (every single penny) of profit towards solving social problems and 25% of our work force is made up of previously homeless people.

When you choose Social Bite, it is not only a great reflection on your business and your Corporate Social Responsibility (CSR) Values, which we are sure your staff and clients will appreciate, but your business will also be directly benefiting people less fortunate than yourself.

A more fulfilling lunch.

Testimonials

"I was delighted by the service provided by the catering team, Caroline was friendly and helpful. It was the first time I used Social Bite to cater lunch at one of our Professional Development workshops here at Glasgow Chamber of Commerce but certainly won't be the last. We ask all our delegates for feedback on workshops and never have I had so many mention how good their lunch was!"

Sarah Heaney, Events and Training Executive, Glasgow Chamber of Commerce

"We recently ordered lunch from Social Bite for a lunch meeting at our office. The service provided was excellent, delivered on time and the variety of the platters was great. The highlight for me was the curried lentil and chickpea wrap and my colleague said the millionaires shortbread was the best he had ever tasted. We will definitely be ordering food from Social Bite again."

Tracy McAlpine, Principal and Head of New Build Operations, McVey & Murrricane

"Moving to Social Bite for our catering service was the best decision we've made for Bird.i team."

Not only are there a variety of sandwiches, soup or baked potatoes we can order every day; but there are always a wee twist in those which makes no single lunch the same. The catering team is super, always helpful and serving us with a massive smile."

Corentin Guillo, Founder & CEO Bird.i
